Greetings everyone,

The Fraternal Order of Police, Lodge 3100 located in Lake Worth Florida, will be hosting our third annual golf outing on October 10, 2024 at the Village Golf Club located in Royal Palm Beach.

To assist us in making this a successful outing, we are seeking to find Hole sponsors and Tee sponsors for the event. Hole sponsors will have their name embroidered on a flag which would be displayed at the event, then later turned over to the sponsor. The donation for a hole sponsor is \$200.00. A Tee sponsor would have their name/ Logo printed on a sign displayed at the Tee. That sign would also be returned to the sponsor at the end of the event. The donation for a Tee Sponsor is \$100.00.

We are a non-profit 501 C organization supported solely by our member's dues. Your generous support would be greatly appreciated. Portions of the proceeds will be used to support our lodge as well as Tunnel2Towers.org and a local Palm Beach County charity.

If you would like to sponsor this event, please complete the attached form and return it to us along with your donation. Any donation would be greatly appreciated. Donations can also be in the form of gift cards which would be raffled off at the event.

If you have any questions or concerns, please feel free to call me at 561-598-9834 or you can email me at fop3100VP@gmail.com

Thanking you in advance for your thoughtful contribution.

Respectfully,

Paul Read

Because the City revised the Emblem contract, the Judge lifted the stay on the copays. This means that beginning January 2025, we will most likely see copays. There is no ending date to the contract, it expires when the City goes to change it. This is another gift of the MLC under the leadership of DC37 and the UFT, and its chair Harry Nespoli. Copays in this contract are \$15. We will keep you posted when more information comes out of OLR on these changes. But please be patient, as the meat and potatoes of the case has not yet been argued. This is just the stay that has been lifted... and the City has not put out anything on this yet, but since open enrollment is around the corner - we will be watching.

GOA LAWSUIT FORCES NYC TO ALLOW NON-RESIDENTS TO APPLY FOR CARRY PERMITS

Written by Walter Smoloski Published: 09 August 2024

FOR IMMEDIATE RELEASE

August 9, 2024

Washington, D.C. — Yesterday, the New York City Police Department adopted an **emergency rule** which will allow non-residents to apply for concealed carry permits. This follows a **lawsuit filed** by **Gun Owners of America** (GOA) and the Gun Owners Foundation (GOF) in February of this year on behalf of several non-residents (including Newsmax TV Host Carl Higbie) who have been wholly unable to secure any type of carry permit in New York, leaving them defenseless.

Erich Pratt, GOA's Senior Vice President, issued the following statement:

“This is great news for the untold millions of Americans who either work or visit New York every year. It's critical that everyone can exercise their inherent right to self-defense, but until now, anti-gunners in New York denied most Americans that basic right.

“We will continue to monitor local cases to ensure that NYPD indeed grants these permits to applicants in a timely and non-onerous manner. Otherwise, we will gladly file another lawsuit directed specifically at Mayor Adams and the NYPD.”

Background: Under current New York law, only New York residents, or those who primarily work in New York, may apply for and obtain permits to carry concealed weapons, and the state does not grant any form of reciprocity for individuals who hold a similar permit from another state.

As a result, those who hold out of state driver's licenses may drive in New York, but the exercising of one's constitutional right to bear arms in New York State is wholly inaccessible to the 94% of Americans who are not New York State residents. New York is one of a very few states where nonresidents are not allowed to exercise their Second Amendment rights to keep and bear arms.

GOA spokesmen are available for interviews. Gun Owners of America is a nonprofit grassroots lobbying organization dedicated to protecting the right to keep and bear arms without compromise. GOA represents over two million members and activists. For more information, visit GOA's **Press Center**.

Poppa Needs Floridians to Volunteer for POPPA.

(Police Organization Providing Peer Assistance) is a volunteer police peer support network committed exclusively to providing a confidential, safe, and supportive environment for New York City police officers and NYPD retirees. Operating 24/7, every day of the year, POPPA assists officers to cope effectively with personal or job-related stress. We are dedicated to preventing or reducing POPPA Inc.

Utilizing NYPD officers who volunteer with POPPA and a professional mental health network, POPPA reduces the gap between essential support services and officers' access to these services.

Retiree Program

In 2006, POPPA started its Retiree Program. The program began with 26 retired NYPD officers dedicated to help meet the needs of fellow retired police officers. The mental health and other unique needs of this group are often overlooked. Retired police officers can use

POPPA services for a variety of stress or mental health issues, relationship problems, substance use, or if they feel suicidal. Sometimes, retirees just need to reconnect with another person who can identify as a law enforcement peer.

The Retiree Program has grown to more than 100 volunteers spanning several states across the country in addition to New York.

All of us at POPPA would like to extend a heartfelt congratulations to you on your retirement.

During your career, you may have met POPPA peer support officers or other people from POPPA at the Police Academy as a new recruit, at your precinct, or following a critical incident.

POPPA started in 1996 as a confidential, peer-based support network for active-duty NYPD officers. In 2006 we expanded our services to be able to respond to retired officers. Thousands of officers have reached out to POPPA for help in dealing with a wide range of job-related and personal issues; throughout their years of service, during the transition from active-to-retired status, and into their retirement years. You are always welcome to call our Retiree Helpline if you feel stressed and want to talk with a peer support officer or need help in finding support services.

Retiring from the NYPD marks the completion of a career and can bring mixed emotions. Each of us has had an image of what retirement would be like. For some, the day could not have come soon enough. For others, the changes in relationships with police peers, the identity as a police officer, the change of pace and leaving a job you loved, or starting a new career can present some difficulties in this new chapter. There are huge differences in the amount of your "free" time, the degree of structure to your day, changes in family responsibilities, and the level of social activity and potential support. Unfortunately, for many officers, the troubling events that were filed away during a career may come to the surface and the ways in which officers cope sometimes adds to the difficulty.

If you contributed to POPPA by making a donation through your paycheck, we sincerely thank you and are proud to continue our commitment to you into your retirement.

We invite you to look at the POPPA website to see the array of services we offer that may be of interest to you. Please let us know if you would like to participate either in person or by zoom in a once-monthly Wednesday group for retired NYPD officers to discuss issues such as relationships, health, or get new ideas on healthy coping and self-care. We hope to continue to be a valuable resource to you so that you enjoy your many years ahead in good health and happiness.

Sincerely,

A handwritten signature in black ink that reads 'Thomas Hovagim'.
